Summer Camp that Rocks

There's still time to rock out this summer!

NoiseMakers is excited about Rock 'n' Roll Camp 2010. We have great counselors, new activities, new songs, and even more chances to perform live on stage.

Time is running out, though. Tell your friends, neighbors, and even a stranger or two: NoiseMakers Rock 'n' Roll Camp is bigger and better than ever.

Along with learning how to read music and play all the

instruments, campers will get the opportunity to lead a drum circle, write and record a song, play in a rock band, and meet real musicians.

Campers will also have the opportunity to play on stage several times throughout the summer, and headline NoiseMakers' 2nd Annual Kid's Concert at the end of the summer.

Camp costs \$225, and runs from 9:00am – 3:00pm.

Please be sure to ask about our current student

and sibling discounts. They simply can't be beat!

Remember, sign up soon. Space is limited!

Jam Sessions

The dictionary defines a Jam Session as "a meeting of a group of musicians to play for their own enjoyment."

NoiseMakers puts a lot of focus on teaching individuals how to play the instrument of their choice; however, it is bringing those individuals together to create music and have fun in the process that has created some of our best memories.

The jamming experience is

essential to the development of a musician's performing abilities.

Every Thursday this summer, NoiseMakers invites its students and campers to join in the jamming experience for an hour or so starting at 7:00pm. Students can bring their own instruments or borrow one of ours.

These jam sessions will play a double role: 1) A fun way

for the NoiseMakers Band to practice songs for gigs and 2) A rehearsal for those interested in performing at our End of Summer Concert.

Sing a song, play guitar, make it snappy.

Make Noise on July 4th

NoiseMakers will be doing what it does best as we participate in Gulfport's 4th of July Parade.

Decorate a bike and ride along with us, or join us on the trailer as we play NoiseMakers' favorite songs and throw candy.

The parade line up begins at 4:30pm; however, the parade doesn't start until

6:00pm. The more the merrier, so bring a friend or the whole family. Gabe will have the truck rockin' out and ready to go for those who want to participate.

Please RSVP so we know approximately how many people will be joining in the festivities.

Happy Birthday to You

It's an understatement to say that Florida summers get hot. They get down right broiling. So why not cool off the cool way, and plan your next birthday party at NoiseMakers.

We have thrown some of the coolest birthday parties around. Rent our studio and use all the instruments, or tell us where to meet you and we'll bring them to you.

We have something for all ages.

Cost: \$50 per hour.

"At the end of the day, it's how you play that matters, not your gear."

New Blood

NoiseMakers has been growing, and hopefully will continue to grow long into the future. In order to meet the demand for classes and times, we have been on the lookout for talented musicians who are both kid friendly and enjoy all styles of music. We are lucky enough to have found a few, and we will be introducing them to you in the very near future.

Stay tuned...

End of Summer Concert

NoiseMakers is getting ready for a festival to celebrate the future of music.

NoiseMakers 2nd Annual Kids' Rock Fest will be held at the end of the summer (tentatively set for Friday, August 13th). All musicians under 18 are welcome to join in the

festivities. Please contact Gabe prior to the show so the programs and set list can be made accurately.

The location is still up for grabs; however, we had a lot of fun at the Catherine Hickman Theater last year, so it is still the frontrunner. We will be showing a slideshow of

this year's rock 'n' roll campers.

NoiseMakers' students will each be given a block of time to play their songs. They can choose to play individually or as a band.

Some great local bands and musicians will join in the festivities.

Punkertown

NoiseMakers' Punkertown Moms and Dads are the coolest parents in St. Petersburg. We would like to thank you for making our Mom-and-Me classes so much fun. I always look forward to coming into the studio, every day. It's always different, and your kids are fantastic.

Over the summer, we will need to alter our schedule slightly; however, I do not

want to disrupt the flow. Starting immediately, our Punkertown (mom-and-me classes) will run:

Monday	10am – 11am
Tuesday	10am – 11am
Wednesday	10am – 11am
Friday	3pm -4pm.

We apologize if this disrupts your schedule. The official summer schedule may change again. There has been talk of adding an

additional afternoon class. Please note that we will be running Rock Camps over the summer. Some of these times will overlap with our Punkertown classes.

Punkertown t-shirts and instruments coming soon...

The Future of Rock 'n' Roll

Artist of the Month

Each month, NoiseMakers will highlight one or two students. These students will perform a concert on the NoiseMakers stage for friends, parents, and community members.

Not only does this give the student an opportunity to perform in

front of a live audience, it helps to raise self confidence and provides a creative outlet not readily available for our younger generations. It will also serve as great practice for upcoming NoiseMakers events and concerts. Stay tuned for our first Artist of the Month.

I'm makin' some
noise.*

Have Music, Will Travel

Do you want to learn to play guitar? Bass? Drums? Piano? Maybe you don't have the means to get to our studio at 5900 Central Avenue.

No worries.

NoiseMakers will travel to your home or group facility.

We'll bring the instruments if you don't have one, and you'll be playing your favorite songs in no time.

Don't put it off, start playing music today!

Summer Classes

Saturday Rockers: We are now enrolling for a group class to be held at 10:00am on Saturday. All ages are welcome. The class will focus on guitar, drums, and/or piano.

Family classes: Start a family band. Play songs together and grow closer – that's what music does.

Build-a-Band: Start a class with your friends and we'll make you into a rock band. The class has a set rate of \$40. The more kids in the class, the less you pay.

Instruments of Change

NoiseMakers would like to thank Instruments of Change for their generous donation to our school of music.

If you are need of an instrument, but can't afford one at today's unbelievable rates, contact Instruments of Change and maybe they can help change your world.
