## The Official Newsletter for NoiseMakers, Inc.

### Let the Music Play

NoiseMakers will be hosting an Open House on Wednesday, May 27<sup>th</sup> from 6:45pm – 8:00pm. This is a great opportunity to see our facility at work. Kids can play all the instruments (as loud as they want) and meet new friends. The same goes for the parents.

Who knows? If we're lucky, maybe a few of NoiseMakers' current students will show up for an impromptu concert. We'll have our rock star lights ready to shine, just in case.

### Summer Rock Camp

Our summer Rock Camps are filling up quickly. Thanks to all of you who have already signed up. A confirmation letter and more information about the camp will be sent to you shortly. If you haven't signed up, please remember that space is limited -- so the sooner you sign up the better. For those interested, we have added an additional camp date: July 6 – 10.

At NoiseMakers' Rock 'n' Roll Camp, each student will learn the basics to playing electric and acoustic guitar, bass, drums, keyboards, ukulele, and more. Also, everyone will get the chance to take part in a drum circle, play instruments with other kids, practice their favorite instruments, build small instruments, write a song, and listen to all genres of music from classical to rock 'n' roll, from punk to pop, from country to rap.

Talented local musicians will be on hand to teach instruments and play their own songs for the kids, and a fun, rock 'n' roll concert will be given for the parents and the community at the end of the week.

Each camp costs \$185. Along with 20 hours worth of musical education, each camper will receive a NoiseMakers' t-shirt, a small instrument, and more.

### Local Baby and Family Expo

The St. Petersburg Baby and Family expo will be held on Saturday, May 16<sup>th</sup> from 11:00am – 3:00pm at the Shore Acres Recreation Center. NoiseMakers will be in attendance for kids to play instruments and get their first taste of what it's like to be a rock star.

The Expo is a great place to learn about local classes, activities, enrichment, support, and resources for families with small children. There will be crafts for the kids, car seat checks, goodie bags, and photography sessions.

This event is sponsored by Stroller Fit, Teaching U, and goMomma.com. It is completely free to the community.

Shore Acres Recreation Center is located at 40<sup>th</sup> Avenue NE and Shore Acres Boulevard.

## Donate Old Instruments

Do you have old instruments you never play? If so, give them back their voice by donating them to NoiseMakers. No instrument will be denied. We'll put them to use or find them a good home.

On the other hand, if you can't part with your instrument, bring it to our Tuesday night Open Jam. We'd love the company, and would enjoy listening to whatever style of music you may want to play.

The Open Jam is on Tuesday night from 7:00pm - 10:00pm.

## Rec Center Classes

NoiseMakers is proud to offer classes at the Gulfport Recreation Center on Monday night beginning at 5:00pm. The classes are similar to those run at our facility (the only real difference being they are somewhere else).

Please contact us prior to showing up at the Rec center so we know how many kids to expect and what to bring. For more information, please call us at 727.345.7472.

## \$10 Concert

Join us on Tuesday, June 2 as we travel to the Ford Amphitheater to watch Paramore and No Doubt. Lawn seats cost \$10. Meet us in the lawn or follow us from the NoiseMakers' parking lot. Please let us know if you plan on traveling with us. Thanks.
